## **Further details on exams and grades announced**

New details regarding the impact of coronavirus (COVID-19) on summer exams has been released.

The exam regulator, Ofqual, and exam boards will work with teachers to provide grades to students whose exams have been cancelled this summer, following our actions to slow the spread of coronavirus.

Ofqual and exam boards will be discussing with teachers' representatives before finalising an approach, to ensure that it is as fair as possible.

Find details on the impact on summer exams here:

More information will be provided as soon as possible.

## **Handwashing advice**

The most important thing individuals can do to protect themselves is to wash their hands more often, for at least 20 seconds, with soap and water. Public Health England recommends that in addition to handwashing before eating, and after coughing and sneezing, everyone should also wash hands after using toilets and travelling on public transport.
