

Dear Parents/Carers

At Erdington Academy we have been constantly adapting to changing guidelines with regard to the phased reopening of schools to students, and we would like to thank you all for your patience and support while we have navigated a route through this difficult time.

The next stage of this process is an opportunity for some face to face contact between key staff and students in school. Commencing on Tuesday 7th July 2020, I am very much looking forward to welcoming back our students in each house for a one off targeted reintegration session. We believe that spending some time back in school will be of benefit to the children's wellbeing and will support their confident return to a more formal school setting next term.

School uniform is not required but we would expect all students to dress appropriately. Whilst in school students will be required to follow rules for social distancing, the one-way system around buildings and good hand hygiene. Staff will be on hand to guide them as appropriate.

Students should arrive promptly 5 minutes before the specified start time for their form group, shown below. Sessions will last for approximately one hour, and students will be expected to make their way home straight afterwards. Access to school will be through the back gate on Croydon Road and the children will also be dismissed from there. All students will be required to bring a pen for their allocated session.

Please refer to the table on the next page for your child's allocated day and time.

If you have any questions please direct them to the house manager during the weekly well being calls or contact reception who will re-direct your enquiry.

Yours sincerely

Mr J Halstead

Assistant Headteacher
